

KENWYN PARISH COUNCIL

Quotation and Tenders Policy

Introduction

The Council from time to time needs to obtain quotes and tenders to complete its aims and objectives. The Council is committed to spending public money wisely, efficiently and to achieve best value. Neither the Council, nor any committee, is bound to accept the lowest tender. All issue and acceptance of tenders and quotes shall be subject to the overriding principal of "Best Value". This policy will complement the Council's Standing Orders and Financial Regulations.

Purpose

The purpose of this policy is to ensure that:

- The Council procures supplies, services and works that meet the defined and agreed essential needs of the Council as specified in the quotation or tender documents;
- In all cases, a specification is produced and agreed prior to the quotation or tender documents being issued that clearly identifies the essential requirements (needs), along with the highly desirable (discretionary added value) and desirable (wants);
- The selection criteria are clearly identified;
- The tender or quote is selected which offers the best value to the Council over the whole life of the project;
- The tendering process, selection of bidders and the award of contracts are fair, open and objective;
- All tenders and quotes are evaluated to a consistently high standard;
- Equality, diversity and sustainability consideration are embedded in the Councils tendering and quotation processes;

Quotations

The formal quotation process shall comprise of the following steps:

- i. A specification of the goods, materials, services and the execution of works shall be drawn up;
- ii. For goods or services estimated to exceed £5000 but not to exceed £20,000 a quotation pack will be compiled which will consist of a minimum of a job specification, health and safety requirements, a copy of the Council's

Management of Contractors Policy and any other appropriate policies, timescales and all appropriate deadlines, details of when, how and where to return the quote. Any quotations that are not received in the specified format will be excluded and not considered by the Council.

iii. A public notice for quotes estimated to exceed £5000 will be placed on the Council's notice boards, website and Facebook page

iv. Once received the quotes will be assessed by the Full Council or relevant Committee;

v. Once quotes have been discussed a contractor will be appointed by resolution of the Council/Committee.

Tenders

The formal tender process shall be followed for all works or contracts likely to exceed £20,000

The formal tender process shall comprise of the following steps:

i. A specification of the goods, materials, services and the execution of works shall be drawn up;

ii. A tender pack will be compiled which will consist of a minimum of a job specification, health and safety requirements, a copy of the Councils Management of Contractors Policy and any other appropriate policies. It will also contain relevant timescales and all appropriate deadlines, tender return sheet, details of when, how and where to return the tender including how to mark the envelope that the quotation will be returned in. Any quotations received in an unmarked envelope will be excluded and not considered by the Council. A public notice of the tender will be placed on the Council's notice boards and website

iii. Tenders submitted are to be opened by two Councillors and the Clerk after the stated closing date and time. The Councillors will number and sign each tender opened. The Clerk will produce a report on the tenders received and will circulate the report and copies of the tenders to members with the agenda and background papers for the meeting at which they will be discussed. Tenders will be opened by two Councillors on a rota basis.

iv. Once opened the tenders will be assessed by the Full Council or relevant Committee;

v. Once tenders have been discussed a contractor will be appointed by resolution of the Council/Committee.

Tenders/Quotes Not Received or Are All The Same

If no tenders or quotes are received the Council will:

- Re-advertise using the methods already used;
- Consider other methods of advertising i.e. newspaper, radio, other local media;
- Consider advertising further afield i.e. in the Western Morning News, other national websites/media publications etc.;
- Review the tender/quotation documents;
- Contact contractors who have requested the tender and quotation documentation and enquire as to why they did not submit a tender or quote.

If the tenders or quotes received are identical the Council will:

- Assess each quote or tender individually;
- Consider 'Best Value';
- Consider requesting additional information from each contractor i.e. how they propose to complete the work, timescales, staffing etc.;
- Consider holding an interview with each contractor;
- Request copies of health and safety information and any other relevant information etc.;
- Reassess all of the tenders against the additional information and/or interview and Best Value.
